

Sweetwater Authority - Certified Testers List

The following list contains the names of backflow prevention assembly testers who have been certified by the American Water Works Association (AWWA), American Backflow Prevention Association (ABPA) or the American Society of Sanitary Engineering (ASSE). Sweetwater Authority makes no representation about any other qualifications of these backflow prevention assembly testers who may or may not be state-licensed contractors. The list is provided only as information and is not intended as either an advertisement or a warranty, express or implied.
