ADDENDUM No. 1

RE: Addendum to Request for Quotation S2021-16 Vehicle FY 2021

Bid Due – March 17, 2021, by 2:30 PM

Clarification only: This addendum will need to be returned with your bid response.

This Addendum is and does become a part of the above-mentioned Solicitation. The following questions were received from potential bidders, and the response are provided as shown.

1) Our upfitter had the following question on the specs: They say 40" C.A. but ask for a 796 body which would be 56" C.A?  
Answer – A model number was transposed in the vehicle specification. The correct model number is 780J which has the same layout and will fit a 40’’ cab to axle truck.

This addendum consists of two page(s). All other terms and conditions remain unchanged. All questions concerning the bid specification or Scope of Work must be submitted in writing either by mail, facsimile, or e-mail, and received no later than the date noted in the above referenced RFQ.
