ELIGIBILITY, RULES, TERMS AND CONDITIONS

WHEN WILL I RECEIVE MY REBATE?

Customers with approved applications will receive a bill credit on their next water bill (provide email for notification).

LEAK REPAIRS AND PRV VALVES

- New construction does not qualify
- Purchase must be made between July 1, 2024 and June 30, 2025
- Repair service must be completed between July 1, 2024 and June 30, 2025
- Application forms without complete information or a valid receipt will be returned to the applicant
- Sweetwater Authority staff may schedule a site visit to verify the installation/repairs prior to issuing rebate
- Customers must be current with no outstanding balance in order to apply for credit
- Limit 1 leak repair rebate per account or address per fiscal year

PRV ONLY

- Existing structures without PRVs that wish to add a PRV must have pressure in excess of 80 PSI (pre-inspection required)
- Limit 1 PRV incentive per account or address per fiscal year
- PRVs must be installed on service lines that are directly connected to the Sweetwater Authority distribution system.
- PRVs connected to private wells are not eligible

Water accounts which have received a rebate from Sweetwater Authority will not be eligible to receive additional rebates for similar products.

Only new fixtures or devices qualify

Equipment that is used, leased, refurbished, rented, received from warranty or insurance claims, exchanged or won as a prize do not qualify for this rebate.

PROGRAM REQUIREMENTS

Labor – The Authority will provide a rebate of up to \$100.00 to reimburse customers for services related to the repairing of leaks, and/or the installation of devices to replace leaking fixtures. Recurring maintenance, and similar ongoing expenses are not eligible. Receipts/invoices must be dated on or after July 1, 2024 and on or before June 30, 2025. Leak detection services are only eligible when they result in a leak repair.

Parts – The Authority will provide a rebate of up to \$100.00 towards the purchase of plumbing and/or irrigation supplies and equipment used to repair a leak. Upon receipt of the application form, staff may contact the customer to schedule a site visit to verify the repair occurred within the Authority's service area. Rebate amount will not exceed the total cost of supplies and equipment.

For Pipelines: Rebate does not apply to storm, sewer, or vent lines, only potable water fixtures or lines.

CAR WASH

Sweetwater Authority will provide a reimbursement of up to \$10 per wash (up to a maximum of 4 washes) in the form of a bill credit. Customers must use a car wash that is within the Sweetwater Authority service area, and the car wash must use a water recovery/reclaim system. Receipt(s) must be dated between July 1, 2024 and June 30, 2025 and contain the name or address of the car wash. Credit cannot exceed cost of service. Car wash credit limited to a maximum of \$40 per water account per year.

LIVING COAST DISCOVERY CENTER

Sweetwater Authority will provide a reimbursement of up to \$20 for one for one adult general admission in the form of a bill credit. Receipt must be dated between July 1, 2024 and June 30, 2025.

**FUNDING FOR ALL REBATES IS LIMITED AND DISBURSED ON A FIRST-COME, FIRST-SERVED BASIS.
ALL REBATES ARE SUBJECT TO AVAILABLE FUNDS OR DISCONTINUATION.**
