WORK FOR WATER

Scholarship Program | Overview

Pursue a Meaningful Career in the Water Industry

Sweetwater Authority is proud to support the next generation of water professionals through the Work for Water Scholarship Program. This opportunity is open to individuals residing within Sweetwater Authority's service area who are planning to pursue a career in the water industry.

Two scholarships of $1,000 each will be awarded to students who are either newly enrolled, currently attending, or enrolling in any accredited college, community college, or trade school with a program related to water management, treatment, technology, or a similar field.

Whether you're just starting your educational journey or continuing your training, this scholarship can help you move forward in a field that's essential to our communities and environment. Take the next step toward a rewarding and impactful career—apply today.

Application Deadline: July 31, 2026

Scholarship Requirements - To be eligible for this scholarship, applicants must meet the following criteria:

- **Residency:** Must reside within the Sweetwater Authority service area.
- **Education:** Must be currently enrolled in a college, university, or accredited vocational program.
- **Essay:** Submit a 1–2 page essay (typed, double-spaced) addressing the prompt: "How will your academic background support your goals within the water industry?"
- **Letter of Recommendation:** Include one signed letter of recommendation from a professor, advisor, employer, or community leader familiar with your academic or professional background.
- **Transcript:** Unofficial transcripts may be requested to verify enrollment and coursework relevant to your goals.
